## Poetic Translation

Lord of the world who reigned  
When by his will all things were created,

before the universe was formed,  
then he was proclaimed King.

And after all shall cease,  
He was, He is,

alone shall reign the Awesome one;  
and He shall remain in glory.

He is one and there is no second  
Without beginning, without end -

to compare or share -  
His strength and His dominion.

He is my God - my living helper -  
He is my banner, my refuge,

my rock in times of trouble;  
and my cup's portion for all.

Within his hands I trust my soul,  
And with my soul, my body, too:

before I sleep and when I wake,  
The Lord is with me; I shall not fear.

English translation adapted by the composer  
from the Standard Book of Jewish Verse (New York, 1917)
