

"The Cricket Sang"

The cricket sang,
 And set the sun,
 And workmen finished, one by one,
 Their seam the day upon.

The low grass loaded with the dew,
 The twilight stood as strangers do
 With hat in hand, polite and new,
 To stay as if, or go.

A vastness, as a neighbor, came,--
 A wisdom without face or name,
 A peace, as hemispheres at home,--
 And so the night became.
